

14 things to do if you have missed the rapture

I would like to introduce you to one of the most important pieces of literature that you may ever come into contact with. It is the opinion of most Bible teachers and prophets that the return of Jesus Christ is imminent. It is my own opinion that this generation will never pass away until we see the return of Jesus Christ for His church. We call this event the “rapture of the church.” I believe that the church can either be raptured at the beginning or in the middle of the seven year tribulation period. After the rapture of the church, there will be a time on the earth like has never been seen before. It will be a literal hell on earth. This time is called the “seven year tribulation period”. Men will pray for death to come to them, for death will be welcomed as a form of relief in comparison to all the nightmare experiences of the seven year tribulation period. My friends, you DO NOT, let me emphasize DO NOT want to miss the rapture of the church. You need to get your life in order with God now! But, in case you do miss it, then this tract is for you. Please hold onto this and make copies of it and redistribute these to everyone you know. I pray that you will find the strength in Jesus Christ to overcome. Here are 14 very important things for you to do...

14 things to do.

1. **DO NOT** commit suicide, and stay extremely calm if you have missed the rapture. There will be a period of total chaos, suicides, and heart attacks. People all over the world will be in total chaos. Please understand the fact that you who remain here have missed the rapture, and are living in the tribulation period, and nothing you do can change that fact. Listen! Don't look back. Face the fact you've been left, but there still is hope for you!!

2. **KEEP A TIME TABLE.** Look back and find the date people were reported missing or raptured, mark that date, and put it away. Keep track of the following 7 years. The first three and a half years will not be too bad, but the last three and a half years will be so horrible that human vocabulary is insufficient to describe the events that will take place.

3. **GET ALONE** somewhere and find yourself a Bible. There is still hope for you. You still have an opportunity to accept Jesus Christ as Lord and Savior. Look in your Bible at Revelation chapter 7, Romans chapter 10:9-11. There is no time element spoken of here, you can be born again, and remember this: The Holy Spirit has not left the earth with the Christians. He still dwells here now.

What you need to do now is accept Jesus in your heart and be born again. Romans chapter 10:9-13 says clearly if you just confess with your mouth that in your own self there is no hope, and you realize you need Jesus to set you free and cleanse your sins to be forgotten, He will hear you and forgive you and the Holy Spirit will come into your life and you will be a new person in Jesus Christ. You will become a tribulation saint.

14 things to do if you have missed the rapture

Realize from this point on that your life will not be an attractive one. Your commitment to Jesus could result in the severest repercussions that you can imagine. Be ready to lose your job, to be persecuted, possibly even tortured and even lose your life. Be prepared to die, it will probably happen!! Ask Jesus to give you strength to face reality and He will.

Endure to the end, Saint. Don't give up no matter what happens to you. Do not denounce Jesus. Give your life if you have to, but do not denounce Jesus in any way!

4. DISTRIBUTE BIBLES to close friends and family. Hide at least one Bible in a secluded place because Bibles will be hard to come by. Communist agents will be out to burn every bible they can find.

Read the Bible and begin to memorize it. Ask Jesus to help you memorize it. Hide promise scriptures wherever you can: Hebrews chapter 10:19-23.

Begin to memorize the entire book of Daniel, the book of Revelation, memorize the 24th chapter of Mathew, the 21st chapter of Luke. These books and verses will help you understand what must take place before the second coming of Jesus.

5. BEWARE OF A WORLD CHURCH. This church is not of God. Do not back this church. It is from Satan himself. Do not associate with any kind of world church. Beware of Communist agents who will play the role of pastor. Beware of any big church movement after the rapture. Ask Jesus for a spirit of discernment.

6. BEWARE OF THE WORLD DICTATOR AND ANYTHING HE SAYS. This anti-Christ will appear upon the scene and become the leader of a ten nation government. He will be an international politician, a worldwide accepted man with all the answers to the world's problems. He will back the one world church and seem to have an answer for everything, but do not pledge allegiance to this man; if you do, you damn your soul to eternal Hell. Beware of another man called the false prophet. He will more likely lead the one world church. He also will impress the world with his leadership and religious spirit. People will automatically accept him. He will perform many signs and miracles before you, and even raise the dead, but he will support the Anti-Christ and work with him for a one world government. Watch for these two men and do not pledge allegiance to them.

Read about the Anti-Christ in Revelation chapters 13 and 14, Daniel chapters 7 and 11, and read about the false prophet in Revelations chapters 13, 14, and 16.

7. DO NOT accept the mark of the beast (666). The Anti-Christ will control the economic system completely, and he will destroy the money system and install a number system either on your hand or your forehead.

Do not take this mark. If you do, you will be automatically doomed for eternity. Be prepared if you do not take it. You will be tortured or even put to death, but your soul will be saved in the end. You probably won't be able to buy, sell, or trade anything, but do not take the anti-Christ's number system. Begin now to ask Jesus for strength and boldness. There will be very rough times ahead.

14 things to do if you have missed the rapture

8. BEWARE OF THE GOLDEN IDOL. The anti-Christ will erect an idol and place it in the temple. Read Daniel chapter 3, Revelation 13:15, Revelation 20:4, and Revelation 15:2.

Stay away from any image created by or for the anti-Christ.

9. STORE UP water, food, and cover, if possible. Move to the mountains and live off the land. Move away from the cities or civilization.

10. BE CAREFUL WHO YOU TRUST. Don't trust every person who claims they are a Christian. Beware of Communist agents posing as Christians or ministers.

11. STAY IN THE WORD OF GOD. Memorize verses and establish fellowship with true believers.

12 WATCH YOUR GEOGRAPHICAL LOCATION. Leave all large nuclear target areas, such as bases, cities, lakes, ship yards, industrial areas, etc.

13. STAY AWAY from earthquake faults.

14. OBTAIN fallout shelter, if possible.
